

# PATROLSAFE™

INTEGRATED VIDEO-BASED ENFORCEMENT SYSTEM

KEEP

**POLICE  
EMERGENCY  
& FIRST RESPONDERS**

**SAFE**

*optotraffic*™  
innovative traffic safety solutions 

**Patrol Safe™** is a video & radar detection system capable of capturing high-resolution video of vehicles violating *Slow Down, Move Over* laws.

## FEATURES:

- ☀ Seamless, unobtrusive installation into existing police vehicles
- ☀ Emergency equipment activates **PatrolSafe™** throughout entire traffic stop
- ☀ Encrypted, wireless upload of potential violations to our secure server

## ADVANTAGES:

- ☀ Ideal for highway traffic enforcement where officer safety is always a concern
- ☀ Provides front & rear view enabling complete violation capture & replay
- ☀ On-board PC processes video to retain & upload only potential violation clips

Optotrafic provides the same comprehensive suite of back office support services for all our enforcement systems. These include: citation printing and mailing, call center representatives, systems and software training, lockbox payment processing, pay by web, collections, court docket preparation, financial tracking and custom reporting.
